## Moral Convictions Questionnaire

*If married, husband and wife should complete separate questionnaires.*

The Bible makes it clear that we should avoid sexual immorality (I Thess. 4:3-6). Though God's forgiveness is full and complete, there is a distinction between forgiveness for past sins and necessary, biblical suitability for spiritual leadership. I Timothy 3 outlines qualifications necessary for those who desire to be spiritual leaders. Those qualifications include being "above reproach" and having a "good reputation."

In light of this, ASLAN'S PLACE is highly concerned about the area of moral purity for our staff members. It is critical that our staff/interns exhibit strong convictions and a lifestyle consistent with biblical standards.

*A past problem in this area does not necessarily disqualify you, provided: (1) it can be determined that convictions are strong and consistent with scripture, and (2) a sufficient "time-tested" track record of victory has been established. The information that you share with us will be treated confidentially and will be seen only by an individual directly involved in your application process.*
